## Regional Perspective

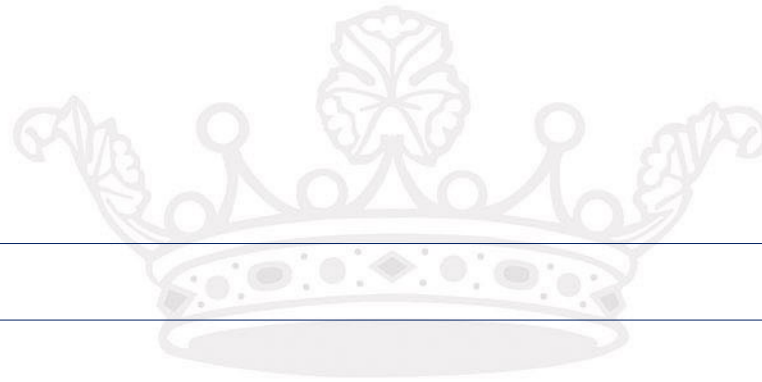

- How works the multi-level governance from a regional perspective?

- European level → National level → Regional level → Local Level

??

Strategies / Visions

## Regional Perspective

- What's the issue?
  - Incomplete policy cycle
- How can we do this?
  - Fostering the local capacity to develop appropriate Instruments/tools mechanism
  - Strengthening the national/regional role to translate strategies and vision in an operational language

Thank you for your attention
